

Double Barrel was founded on the idea that customers deserve world class service every time, with just one phone call. Our firm is not just another logistics company but rather a true resource for your logistics services with a fresh approach.

Every client is important to us, so our first goal is to understand your business and your expectations. We want to build long lasting relationships with each customer by demonstrating time efficient and cost effective services.

Double Barrel is non-asset based and non-asset biased, so we have more flexibility to meet the needs of our clients through deeper knowledge and strong partnerships within the industry. We look forward to the opportunity to serve you.

MOVING YOU FORWARD

# DOUBLE BARREL, INC

**Our company** is a non-asset based logistics firm that specializes in logistics resources for manufacturing and distribution markets.

We are specialist in providing logistics for our clients. Unlike your typical trucking company, we have much flexibility and consistent pricing. Instead of large fluctuations in market prices due to fuel, drivers, and truck capacity, we concentrate on balance.

Double Barrel carries a \$1,000,000.00 General Liability, \$1,000,000.00 in Truck Broker Liability, \$5,000,000 in Excess/Umbrella, & \$250,000.00-\$500,000 in Cargo.

**We Specialize** in services such as the following but not limited to:

- Flatbed
- Van
- Temp Controlled
- Well Site Deliveries
- Specialized/Over Dimensional
- Service into Canada/Mexico
- Hot Shot/Expedited
- Yard to Yard
- Long Haul
- Local
- Project Management

**Don't have your own traffic department or logistics personnel?**

**No worries,** we can help manage your logistics and even directly on-site. Whether you have a large project coming up or you just need additional resources, we have cost effective options for you. Our logistics specialists can help you manage and stay under budget.

**Contact us today to learn more about our services.**
